## Wild Road Events

*For the Wild and Curious*

This document outlines the variety of packages Wild Road Spirits can supply to your event, if it's a bar that you need or a venue, we can host or show up and fill your cups!

We've hosted and attended a variety of different events from Birthday parties, Weddings, Bucks/Hens parties to night markets and day stalls. Our team has quite a few years of bartending under our belts and can customise the menu to fit your event. Additionally, we have a select few individuals to help staff an event, who also have respective years in the field of bartending, lending to our utmost professionalism at your events.

## Gin Tonica Package

Our first package is a simple but bold range of delightful Gin and Tonics & Gin Spritz's, including our very own signature range of gins, The Citrus Mistress, Gin Ne Sais Quoi and D'ginn Du Sol with options to extend into our limited batch release products. We cater for a designed drinks menu ranging from the simple to the more adventurous. Blend and choose your own garnish with the gins and mix up with mixers with additions with different flavoured sodas and juices.

With your event, we will provide all necessary equipment, from the bar setup to eskies, washing stations and promotional items about our brand. If you choose to book the rustic bar, our staff would love to partake in your night's celebrations.

## Cocktails Package

Our second package focuses on building a cocktail menu for your event using our flagship gin range. We can stylise it around the likeness of your event, ranging from the more classics being martini's, negroni's and gimlets too the modern with our New Age Martini, Hazel Rose or Pink Gin Spritz, with more available to choose from on our website. Leave us to build, shake and pour, modifying a range fit for your venue and capacity.

Alas, it doesn't stop there, we can also pick up extra beers and wines to cater for those who aren't fans of gin.

Experience the wild with Wild Road Spirits events, set up in our distillery or let us come to you with our rustic mobile bar. Tailored experiences to make your event even better with our signature range of gins and cocktails.
